

TENDO'S[®] Alcohol Spray

TENDO'S Alcohol Spray is based on 70 % alcohol. This alcohol spray has a strong cleansing ability and does not pose any danger to the skin.

- Contains at least 70 % alcohol
- Ideal for an intensive cleaning of alcohol-resistant surfaces

Use/Qualities

Due to the high percentage of alcohol, it is ideal for a thorough cleaning of alcohol-resistant surfaces such as furniture in e.g. offices and hospitals.

Features

Colour	: bright and colourless
Density (20°C)	: approx. 0.9 kg/l
Flashpoint (Closed Cup)	: 23°C

Instructions

TENDO's Alcohol Spray is ready for use and can be applied directly to the surface. Apply the product and divide over the entire surface. Leave the product to work for about 30 seconds, then take the liquid off with a soft and clean cloth.

Safety instructions

The product is flammable and should remain removed from sources of ignition. Prevent eye contact. Inhalation may prevent dizziness.

The user of this product must comply with national health, safety and environmental laws. For more information on the composition, the most up-to-date safety data and disclaimer, please see the EC safety information sheet (MSDS).
