

TENDO'S[®] Telephone & Tablet Cleaner

An IPA-based product for cleaning phones and tablets.

- For a clean mobile phone or tablet and all types of keyboards
- Free from pollution, bacteria and/or dust
- Specifically developed for cleaning phones and tablets
- Does not affect the surface to be cleaned
- Safe use for materials and plastic and metal surfaces

Use/Qualities

Nowadays we use our phones and tablets a lot. Every day we have these in our hands for more than 100 times.

To ensure that your phone or tablet is always clean and there is no bacteria or other pollution left behind, you can regularly treat it with the TENDO'S Telephone & Tablet Cleaner.

Instructions

The product is ready to use and can be applied directly to the surface. Apply the product and divide it over the entire surface. Leave the product to work for about 30 seconds, then take the liquid off with a soft and clean cloth.
