

# Latex Remover

Highly concentrated product for the removal of various kinds of latex.

- Universally applicable
- Biodegradable

## Introduction

LATEX REMOVER is a very powerful alkaline stripper for the removal of various kinds of latex. LATEX REMOVER is also suitable for the removal of a latex film.

LATEX REMOVER does not contain hydrocarbons.

## Properties

Clear cleaning agent based on alkalines and surfactants.

Specific Gravity (20 °C)	: 1,15
Flash point (PMCC)	: none
pH (1% solution)	: > 13

## Directions for use

Spray LATEX REMOVER at ambient temperature and allow approximately 20 minutes activation time. The latex can then be removed with cold water by means of high pressure. If necessary, repeat this treatment.

## Nature of special risks and safety advice

See the Material Safety Data Sheet.
